Theodore V. West, President
Atlantic National Trust, LLC
50 Portland Pier – Suite 400
Portland, ME 04101

Dear Mr. West:

As my tenure as Mayor of Lewiston is coming to a close, I wanted to be sure to reach out and thank you for the excellent work that you and Atlantic National Trust have put forth towards the renovation and improvement of Lewiston real estate.

From transforming abandoned buildings into state-of-the-art efficient buildings, such as 206 – 208 Park Street, to providing financing for rehab projects, such as 184 Bartlett Street, you have consistently enhanced the face, and curb appeal, of Lewiston. Your commitment and investments are greatly appreciated, and you surely get things done!

I trust that you and Atlantic National will continue to play an effective role in Lewiston's ongoing revitalization. Again, thank you for your belief in Lewiston and all that it has to offer. You are making a difference in our community!

Sincerely,

Robert E. Macdonald
Mayor of Lewiston
